RULES AND REGULATIONS COMPETITIVE RACE

Race under the aegis of ASI. Athletes from 2008 onwards registered for 2024 with FIDAL, ASI, CSI, RUNCARD and RUNCARD EPS or other FIDAL affiliated bodies in possession of a valid competitive medical certificate for Athletics (and non-members with a sports medical certificate to be delivered when collecting the bib). The relays are made up of three athletes and can be male, female or mixed, even from different clubs.

PROMOTIONAL COMPETITION

Children from 2014 onwards can participate without requiring a medical certificate. Recreational motor event with daily ASI membership (insurance coverage). By registering, participants guarantee their physical fitness and relieve the organizers from all civil and criminal liabilities resulting from accidents of any kind. The relays are made up of three athletes and can be Male, Female or Mixed. Health care will be guaranteed.

COURSE AND TIMING

The 3000m course will take place partly on an asphalt road and largely on a ring dirt road in the Campagnuzza Park with departure and arrival from via Capodistria in Gorizia. The touch will be given in the finish area. For the KIDS Promo relay the distances will be 500m per athlete for those born in 2014/2013 and 1000m for those born between 2012 and 2009. The touch will be given in the finish area. The time will be detected by Nextrace.net via CHIP
